Inspiration:

“The last 8 years have been a spiritual roller-coaster for me. Spending time with music and nature has really brought me to a place of centered simplicity. Resonating on Love, the deepest unconditional Love that nature is a pure example of, brings me to an awakening in my heart and my spirit to simply create. I came to a place of being able to ask myself, “What sounds fun to me? Let’s just do that!”

Love,
Rachel Anne

01. Awake My Lyre

My heart is steadfast.

I will sing and make music with all my soul!

Awake harp and lyre! I will awaken the dawn!

I will sing and make music with all my soul.

And now I sing! My heart rejoices!

The presence flows throughout all people.

We are exalted! Creation sings!

Feel the glory reaching over all the earth,

Over all the earth, over all the earth!

For great is the Love. Higher than the heavens.

It is here now, limitless creation!

Awake harp and lyre! I now awaken the dawn!

I sing and make music with all my soul.

And now I sing! My heart rejoices!

The presence flows throughout all people.

We are exalted! Creation sings!

Feel the glory reaching over all the earth,

Over all the earth, over all the earth!

Inspiration:

"I was always taught to pray to God and ask for what I wanted and/or needed. This action, however, results in an unconscious division and separation between self and God. God and the spirit of God is always "out there" somewhere. This song is a wooing to bring me back into remembrance that there has never been a separation between me and the presence of God. There is nowhere the Spirit is not and that includes me."

*Love,
Rachel Anne*

02. Limitless Creator

Fear not, for I AM with you.
You are called by your name.
Fear not, my dear beloved.
Now as always, we are one.
As you pass through the waters,
I AM here with you.
As you walk through the fire, you do not burn.

—CHORUS—

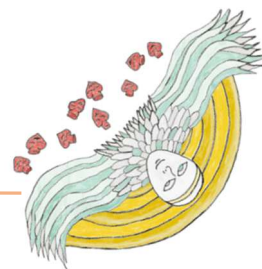

I AM the Lord, I AM,
The holy one of all people.
Who was and is and is to come,
Limitless Creator, all presence, I AM!

Fear not, for you are of me;
You have emerged in perfect glory.
Everyone is called by my name,
One with creation, my only son.
Since you are precious in all sight,
You are honored and you are dearly loved.

—CHORUS—

Do not remember the former things,
Nor consider the things of old.
Behold, see here, this new thing,
How it springs forth, in peace you now know!

—CHORUS—

Inspiration:

"This song shares the strong back and forth going on both internally and externally in my life. Still seeking peace and answers outside of myself, there is a hopelessness and wanting to disconnect even more from circumstances. I craved the peace and tranquility flying high like a dove with no worries or cares that only connection with the spirit of God within can provide."

*Love,
Rachel Anne*

03. Wings Like a Dove

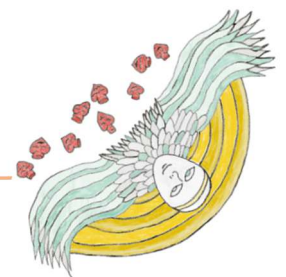

O, that I had wings like a dove!
I would fly away and be at rest.
I would wander far away and remain in the wilderness.
I would hasten my escape, from the tempest and the storm.
O, that I had wings like a dove!
I would fly away and be at rest!

Give ear to my prayer, O God, and do not hide yourself
From my supplication; attend to me and hear me!
I am restless in my complaint, and I moan noisily
Because of the voice of the enemy.
My heart is severely pained within me,
And the terrors of death have fallen upon me;
Fearfulness has come upon me.

O, that I had wings like a dove!
I would fly away and be at rest.
I would wander far away and remain in the wilderness.

It is not an enemy who reproaches me or hates me,
Then I could bear it, then I could hide from him.
But it was you, a man my equal, my companion,
And my acquaintance; we took sweet counsel together.
As for me, I will call upon the Lord, and my God shall
save me. I will pray and cry aloud.

O, that I had wings like a dove!
I would fly away and be at rest.
I would wander far away and remain in the wilderness.
And He shall hear my voice.
He has redeemed my soul in peace!
And He shall hear my voice.
He has redeemed my soul!

"I have always loved this song that my Dad, Lenny Smith, wrote in 1973. It's based on Psalm 23 in the Bible ascribed to King David. It is a song of one seeking and receiving comfort. I had fun with this song in that I "flipped" the singing of the song as my Dad and I sing in completely different vocal ranges. The melody here in this song is a perfect harmony line to his original version."

*Love,
Rachel Anne*

04. True Shepherd

The Lord is my true shepherd,
No evil shall I know.
He makes me lie where the green pastures grow.
He leads me beside a gently flowing stream,
And He restores my soul!
He restores my soul! He restores my soul!

He leads me along the path of righteousness
For His namesake, He guides me along.
Yea, though I walk through the valley of death,
I will fear no evil.
You are on my side! You are on my side!

Your rod and your staff,
They bring comfort to me.
You set out a table in front of my foes.
You cover my head, my cup it overflows.
Surely goodness and mercy be mine,
For all the days of my life!
All the days of my life!
For all the days of my life!
All the days of my life!

"During this time, I was really resonating with the poet David and the Psalms. You can feel the deep internal struggle taking place that is also reflected outside of himself with the people and situations in his life. Listening to the swirling chaos of the limited mind keeps us in a place of deep fear and only feeds into the belief that we are separated and alone. Yet, the light and beauty of the spirit of God reminds us within our heart center that we are never alone. It's impossible."

*Love,
Rachel Anne*

05. Soul Among Lions

My soul lives among the lions.
They surround me, the sons of men,
Who are set on fire!
Whose teeth are spears and arrows.
Their tongue a sharp, sharp, sword.

—CHORUS—

O, remember, dear one, you are in heaven!
Let your glory shine through all the earth!
See the light, the beauty all around you.
It is you, the holy great I AM.

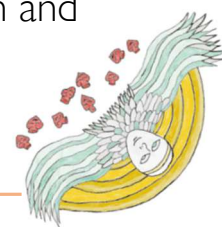

They have prepared a net for my feet,
My soul is bowed down.
They have dug a pit before me,
In the depth, I have fallen.

—CHORUS—

O, remember, dear one, you are in heaven!
Let your glory shine through all the earth!
See the light, the beauty all around you.
It is you, the holy great I AM.

Clouds surround me are dark, they are thick.
Show mercy to me!
In the shadow of your wings I will make my refuge!
You must be there, you create all things.
Hear me cry out!
Here is the love and the kindness of truth and
And now I see!

—CHORUS—

Inspiration:

"This song has a really interesting story. It originally had a different title, words, and key signature. We had already recorded the drums, bass, and electric guitar in the studio from years back. As it re-emerged to be completed, Daniel was really not feeling it. He was dragging his heels and finally he confessed, "This song is really bumming me out!" I immediately burst into laughter and said, "Well, that's not the intention!" I went outside under my pergola and just listened to the birds and my heart. What I heard inside was that this song is a reflection of the joy that I am. Sweet Lamb was created that day."

*Love,
Rachel Anne*

06. Sweet Lamb

I sing aloud in the morning
And feel the joy of the presence.

I cannot help but sing all praises.

La La La La La La La La! La La La La La La La La!

The joy of the presence!

I sing of life, I sing of love.

Breathe it in all around you.

Catch it now, for it is here.

La La La La La La La La! La La La La La La La La!

Breathe it all around you!

Precious, honored, cherished, O, sweet Lamb.

Beloved, powerful, joyful, O, sweet Lamb!

O, sweet Lamb!

Illusion came into the light and the light saw it not.

I remember who I AM!

This spark of light, it is a limitless creation.

I remember who I AM! I remember who I AM!

Precious, honored, cherished, O, sweet Lamb.

Beloved, powerful, joyful, O, sweet Lamb!

Illusion came into the light and the light saw it not.

I remember who I AM!

This spark of light, it is a limitless creation.

I remember who I AM!

La La La La La La La La!

La La La La La La La La!

Inspiration:

"This song is really special to me—my two eldest daughters are singing back-up vocals with me. As the world becomes more chaotic "out there," it becomes so much more important to be come grounded, quiet, and embodied within. I love symbolism and imagery. Imagine the sun as the All in All presence of God and each of us is a beautiful unique ray of sunshine beaming out into infinity from the center--always connected, always shining, one with God, and uniquely unique. This little light of mine, I'm going to let it shine. And guess what? Our lights aren't so little. Shine!"

*Love,
Rachel Anne*

07. Children of the Light

—CHORUS—

We are the children of light.
We are the children of light.
No longer walk in the futility of your mind. (x2)

How do you sit in the presence of I AM?
Spirit unveil the spinning mind.
You cover death with your make-up.
Take off the old man now!

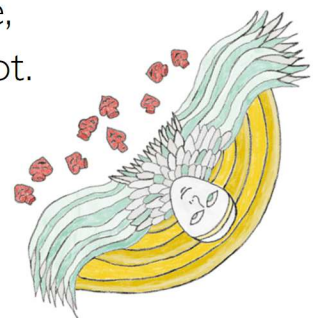

—CHORUS—

Freedom in life is living in the breath of Love.
What is it that controls your mind?
Your mind is a collector of ideas.
Set them aside, Today is Now!

Life is pleased to be with you!
You are wrapped in light.
The more you speak of who you are,
The less you speak of what you're not.

—CHORUS—

Life is pleased to be with you!
You are wrapped in light.
The more you speak of who you are,
The less you speak of what you're not.
Life is pleased to be with you!
You are wrapped in light!

Inspiration:

"I was reading a lot of Psalms at this time specifically the ones written by David. I really resonated with his poetry and how he allows the reader to enter into his personal space sharing the importance of the presence of God in his life. During this time, I was wanting and needing to feel more into the joy of the simplicity of life. Stepping away from the drama and remembering how much fun it is to laugh, play, sing, and be together in the beauty of life. What is more fun than singing aloud on your bed?"

*Love,
Rachel Anne*

08. Sing Aloud on Your Bed

Sing, all you Saints, a new song!
All praise in the assembly lifting high.
People, rejoice in beauty of life.
This holy instant, all children are in joy!

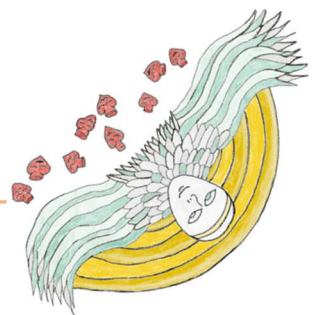

Praise all together with the dance.
Sing one song with timbral and harp.
Life is pleasure within people.
Beauty in the presence,
And the Saints are joyful in glory!
As they sing aloud on their beds.

—SELAH—

Sing all you Saints a new song!
All praise in the assembly lifting high.
People, rejoice in beauty of life.
This holy instant, all children are in joy!

—SELAH—

Praise all together with the dance.
Sing one song with timbral and harp.
Life is pleasure within people.
Beauty in the presence,
And the Saints are joyful in glory!
As they sing aloud on their beds!

Inspiration:

“Even though I grew up in the church, I always felt like a stranger, that I didn’t belong, although I desperately wanted to. The deep belief system of never being good enough affects every part of life; always trying but never really living your unique life fully. We are all unique and wonderful beings full of creativity and life, never meant to feel this self-imposed separation. We are never separated from the presence of God; It’s simply impossible. This presence of Love is never an absence, therefore we cannot be outside of it and it is not outside of us.”

09. No Longer a Stranger

Don't you know you're no longer a stranger?
Still you rob yourself of the joy that is you.
You have everything you need to live forward.
Speaking of the past only keeps you....
(Keeps you, keeps you, keeps you)

—CHORUS—

“I AM the way, the truth, the life,
Now the glory of Being reveals you.
The saturation of the presence flows through you.
I AM the way, the truth, the life,
Now the glory of Being reveals you.
Christ in you, the hope of glory,
Christ in you, the hope!”

Spinning mind always looking for food
You and your story are never satisfied.
As the wave has emerged from the ocean
All things are One and they point...
Deep Calls to Deep. (Calling, calling, calling)

Set your mind on Now, here you have peace.
Shout with the mountains of who, who you are.
Life is Now, and never not Now,
Drift through the eye of the needle,
Just let go. (Let go, let go, let go)

—CHORUS—

Don't you know you're no longer a stranger?

Inspiration:

“Every single being has experienced heartbreak and a time of mourning--even deep, deep mourning. When we stop and become present to the quiet, the breath within, the presence of who we are, one can get a glimmer of remembrance that we are safe, we are unconditionally loved, nurtured and in a field of life's goodness and abundance. Looking within at limitless possibilities set before us and tapping into the inner peace that life is for us. The image of a child dancing with complete abandon and joy is one we can all embrace within ourselves.”

*Love,
Rachel Anne*

10. Mourning into Joy

Hear the breath from within, O you nations!
Gently gathering together back to One!
See now, how safe the shepherd guards his flock.
It's time to come and sing in the height of Zion.

The child shall dance with the young and the old.
All their mourning is turned into joy.
They are comforted.
They now rejoice, not sorrow!
Feel the love and satiation,
O, you Priests, in abundance.
All people now know
The perfect peace of life's goodness.

The child shall dance with the young and the old.
All their mourning is turned into joy.
They are comforted.
They now rejoice, not sorrow!
Feel the love and satiation,
O, you Priests, in abundance.
All people now know
The perfect peace of life's goodness.

Feel the love and satiation,
O, you Priests, in abundance.
All people now know
The perfect peace of life's goodness.
Perfect Peace.

“When will we actually believe
that we are precious, holy,
limitless creations here to create?

When will we tap into the
freedom of the joy of our unique
being-ness and the excitement
that can only bubble up within
when we follow our joy? No
longer living outside of ourselves
trying to be something or
someone we are not. News
flash, there is only one YOU and
you are precious. Be that one.”

*Love,
Rachel Anne*

11. More Precious

The breath of Love is perfect,

Reviving the Soul!

The Spirit is trust-worthy; the simple are wise.

The inner springs of life, bringing my heart joy!

I am more precious than gold,

Than much pure gold.

Sweeter than honey, than honey from the comb.

(x2)

Feel the Holy Instant, this peace is you!

Beyond all understanding, the knowing is yours.

The time of Christ is Now, bringing all hearts joy!

You are more precious than gold,

Than much pure gold!

Sweeter than honey, than honey from the comb.

(x2)

Hear, dear ones, the whisper, the breath in you!

Limitless creation, the time is now.

Wake up and dream no more, Being all the joy!

We are more precious than gold,

Than much pure gold!

Sweeter than honey, than honey from the comb!

“THANK YOU FRIENDS!”

Love,
Rachel Anne
